Grant of import licence.

3. (1) Subject to section 4, the Minister may grant to every person who desires to construct or to equip an hotel a licence to import into the State such building materials or articles of hotel equipment for use in connection with the construction or equipment of the hotel as may be specified in the licence.

5. Every licensee shall be entitled upon the production of his licence to the proper customs officer to import into the State in accordance with the terms thereof, free of all customs duties, such building materials or articles of hotel equipment as may be therein specified.

Free entry of building materials and hotel equipment.

6. (1) Every licensee who satisfies the Collector of Customs that any building materials or articles of hotel equipment were purchased by him in the State, and satisfies him further –

Rebates of customs duty.

(a) that customs duties were paid upon the importation into the State of the building materials or articles of hotel equipment;

(b) as to the amount of the customs duties so paid,

shall be entitled to be paid an amount equivalent to the amount of drawback which would have been payable under any Regulations for the time being in force in relation to the granting of drawback of customs duties, if the building materials or articles of hotel equipment had been exported from the State; but no provision of any regulation relating to the grant of drawback, restricting the payment of drawback to cases where the goods in respect of which the payment is made are exported within a specified period, shall apply to any payment under this section.

(2) Every licensee who satisfies the Collector of Customs that any building materials or articles of hotel equipment were purchased by him in the State and that –

(a) customs duties were paid upon the importation into the State of the building materials or articles of hotel equipment; and

(b) he is unable to ascertain the amount of the customs duties so paid,

shall be entitled to be paid such sums as the Collector of Customs may think fit, so however, that no payment under this subsection shall exceed the least amount of duty payable on that description of goods under any law in force at any time during the two years next preceding the date of purchase by the licensee.

(2) No permit shall be granted under subsection (1) until the licensee has paid to the Collector of Customs or has given security to the satisfaction of the said Collector that he will so pay, all sums which would have been payable by way of customs duty upon the importation of the building materials or articles of hotel equipment or a sum equivalent to the amount of drawback paid to the licensee in respect of the building materials and articles of hotel equipment under section 6.

Power to revoke licence.

- (a) obtained the grant of a licence by any false statement;
- (b) abused or misused any import licence;
- (c) broken or failed to comply with any condition of the licence; or

he may either suspend the operation of the import licence for such time and subject to such conditions as he may think fit or may revoke the licence and in addition, order the licensee to pay any relevant duties or sums refunded under section 6 in respect of any building materials or articles of hotel equipment which the licensee may have obtained under the licence held by him. Any such sums ordered to be paid shall be recoverable in a summary manner on complaint before a Magistrate.
